Commodore	Magnus Karlsson
Vice Commodore:	Ed Denaci
Rear Commodore:	Mike Pearlman

---

### Commodore's Comments

Dear Fellow Log Competitors,

It has been a rough two months. I hope you are all staying healthy and maintaining sanity. Personally, the quarantine business is driving me nuts. It was too bad we had to cancel the April race but at least we are back in business. The May 16 competition went off without major issues. It felt good to be out there and the conditions were near perfect – at least for me, I was the first boat out of the gate. I was told that later starters experienced a lot of fishing boats filling up the bay and many anchoring in the middle of the channel. Give them credit, at least they are out there. From now on, I hope we can go back and continue our planned race schedule. Next contest date is May 30.

Congratulation to Gary Adalian and Bob Ehlers for great performances. Both were under the magic 1% mark. Impressive.

As for NAI, we are continuing planning for the event. Currently we are expecting 8 competitors. David Weimer has developed a budget for the NAI and we plan to send out an invitation letter to the competitors requesting a formal response and submission of the entrance fee.

Jeff Calabrese has been working with Ed, Mike, David and others to plan out the course. Bob Ehlers and Ed Denaci have reserved the various venues. Thank you for stepping up and helping.

Again, we assume that everything is going back to normal and we can have a formal NAI award ceremony and peel-off. If this is not the case, we may have to decide what to do.

Again, looking forward to seeing you all out there at the end of the month.

Stay safe and plan carefully. Next race will be competitive as always.

Magnus Karlsson

### Vice Commodore's Comments

It was WONDERFUL!! We got to compete on the water on a beautiful day. I sure missed my Observer. Even though it just meant pushing a red button, it's one more thing to do as you are turning at the mark. I earned a rotten score (all my own fault) and am looking forward to May 30<sup>th</sup>.

Garry Adalian won with an almost 500 Club score. Congratulations. Bob Ehlers was second with a 0.88% error which is also very good. Magnus Karlsson took third with a 1.56% error beating the rest of the field.

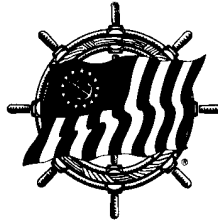

The "rules" change almost daily, so please pay attention to your email. SWYC is trying to find a way to open in some way. Stay tuned! I hope you all are well, and that Mary and I will see you on May 30<sup>th</sup> on the water, at least! At this time we can not use SDOA Observers. We can not have a luncheon. Stay tuned. Plan on calling times to Jay for Official Scoring. Plan on getting results via email and the website [www.sandiegopl.org](http://www.sandiegopl.org)
